Dear [redacted]

On the occasion of my retirement from government service, I want to thank you for the spirit of cooperation you have shown as a member of the DCI Security Committee. In particular, please accept my thanks for helping arrange for a number of able and experienced NSA officers to chair several of our subcommittees and working groups, and to contribute their expertise to the exploration and resolution of many highly complex problems of security concern.

I know that my successor as chairman can look forward to continued support from you. I have enjoyed working with you toward our common objective of sound security for the nation's intelligence activities.

Sincerely,

Robert W. Gambino  
Chairman
